STUDENT BACKGROUND

- What dates might conflict with the student's class attendance?
- Does the student have a reading, writing, or other disability? Yes No
If "yes," please contact the tutor before the course begins to discuss this issue.
- Please list any English/composition, history, or literature courses your student has taken. ***Please note that Writing II (or equivalent skills) is prerequisite for all high school-level history, literature, and government courses. If your student has not taken or will not be taking Writing II but you are registering your student for any high school-level history, literature, and/or government course, please send a recent persuasive essay written by the student to demonstrate that the student has the prerequisite persuasive writing skills.***
- Please list the skills you would like the student to improve through the course.

COURSE SELECTION

Please check the box for each course this student will take. All courses meet in Signal Mountain, Tennessee. All courses meet for ten months (August through May). Some discounts and need-based merit scholarships are available. When your registration form is received, the tutor will email you your total monthly tuition.
